

PRIVATE TUTORS ZAMBIA LTD

ADULT EDUCATION CLASSES

Empowering adult students to enhance career opportunities, further their education, and become global citizens.

We offer adult education classes with the intent to accelerate academic and career success in order to earn a living wage.

Private Tutors Zambia offers Adult Education offers classes and programs at numerous locations throughout Lusaka. Programs are designed to increase educational attainment and career success by providing the preparation and skills needed for employment, continuing education, and personal growth.

Our students gain academic skills, enter career training programs, and find and retain jobs at remarkable rates. Through our partnerships with colleges, social service and government agencies, employers, literacy organizations, and the military, we can surround you with the resources you need to help you achieve your dreams.

We collaborate with community organizations and partners to recruit adult students and prepare them for GCE or Grade 9 external examinations.

We provide a quality adult education in a welcoming and safe environment.
