PRIVATE TUTORS ZAMBIA-LANGUAGE LESSONS

The world's most popular language learning platform is now available for the classroom at Private Tutors Zambia Ltd. These language lessons feature new vocabulary and phrases supported by dialogues, writing exercises, audio recording options, and the chance to network with other language learners and native speakers through our platforms for some real-time practice.

How it works

Private Tutors Zambia Ltd gives you everything you need to speak, write, and understand a new language. Set your own pace - learn what you want, when you want.

Take Private Tutors Zambia Ltd's lessons with you. It saves your completed lessons in the cloud so you can pick up right where you left off - on your computer, tablet or smartphone. Simply choose the course you're interested in and start building your vocabulary. Learn grammar intuitively as you go.

Speaking made easy. Start speaking right from the first lesson. Private Tutors Zambia Ltd's integrated speech recognition helps improve your pronunciation.

French

Group Class

Our group classes for language lessons will consist of at least five candidates. This class is much cheaper and affordable than an individual class. The only demerit is that you cannot start any time except for specific select times during the year as follows:

The fee for group class is only K 3000.00 per month per candidate.

Group Class Programme schedule (Basic/Intermediate/Final Language Lessons)

Class Commencement	Duration	Minimum Number of Students
March	3 months	5
May	3 months	5
Jul	3 months	5
Sep	3 months	5
Nov	3 months	5

If there are fewer than 5 students, the group class cannot start; instead candidates will be advised to enroll in solo classes which *can start any time*.

LEARN A FOREIGN LANGUAGE WITH PRIVATE TUTORS ZAMBIA

Learn a foreign language with Private Tutors Zambia - it's simple, self-regulating and effective!

Multiple foreign language grammar tables offer initial insight into the foreign language and its grammar. Using our selected interactive exercises separated into three levels, you can practice foreign language grammar rules whenever you have time and feel like diving into your new second language.

Keep in mind that you do not need to have any background with a foreign language to start a language course and learn a foreign language with us.

Here's how it works:

- ✓ 10 lessons build up an overview of basic foreign language grammar rules by using concise grammar tables.
- ✓ Basic verb forms and an introduction to foreign language syntax are presented in a simple and understandable way. Our Foreign language course was compiled with total beginners in mind.

All grammar tables are complemented by Foreign language exercises in three levels. You can interactively and independently test your progress and apply what you have learnt in the grammar lessons. Available levels are 'easy', 'medium' and 'difficult'.

For those wishing to work offline, there is also a print version available.

Example sentences correspond to each grammar table and help to round out the beginner foreign language lessons. Famous sights around the world are described and illustrated with photos. Learn foreign language with Private Tutors Zambia and find out about one of the most beautiful grammar ever present in a foreign language

For each interactive foreign language exercise there is a wordlist to help you out. An alphabetical wordlist provides an overview of the vocabulary used in all exercises of the beginner's course.

Learn a language with Private Tutors Zambia's foreign Languages. You can learn over 1,400 words with our tutors. Our interactive audio/visual Learning Suite will help you learn a foreign language effectively. There's also some interactive video-conferencing resources with other experts abroad to help you learn in your foreign language learning journey. As seen above, you can learn any language of your choice with ease, using our foreign language lessons. You can also learn important phrases like greetings, survival expressions and slang words in the language of your choice. If you want verbs, there are over 350 verbs to help you with your language study. To our knowledge, we help to provide the best resources for foreign language learning. Be sure to use it and pass it on to your work requirements in a multilingual organisation or foreign travel itinerary.

We are dedicated to helping you learn a language. We have massive resources to aid you in your language-learning goals.
